

**UNIT PRICE LIST (Material & Labor)**  
**AUTOMATIC IRRIGATION SYSTEM INSTALLATION**  
**SUN 'N LAKE DEER RUN**

For the purpose of determining the Contractor's compensation for additions and deletions to the Project during construction, the following unit prices for fully installed material are hereby offered. Unit prices shall be submitted for additional work items, which may or may not be required. Prices submitted shall be considered a part of the construction contract and shall be binding on the Owner and successful bidder. Prices shall include preparation, materials, installation, and clean-up.
